

Volunteer Application

At **Washington Kids Foundation** we sincerely believe that all youth deserve the opportunity to achieve their fullest potential. We inspire youth to live with purpose, passion and commitment to build the necessary skills to overcome challenges and experience sustained success. Our programs provide a platform for youth to compete, connect and care for themselves and others.

Benefits:

You will gain valuable work and volunteer experience as well as develop and practice leadership skills. You will be among peers with similar interests and create memorable experiences for others and yourself. You will be given the opportunity to attend Washington Kids special events and be an essential part of your community. You will receive a reference letter at your request.

*It takes a village to raise a child and
a community to give them the opportunity to succeed.*
